

TRS601 - Possible Writing Topics

ECONOMICS PART 1

1. Some people say that economic growth is the only way to end hunger and poverty, while others say that economic growth is damaging the environment so it must be stopped.
Discuss both views and give your opinion.
 2. In many countries, a small number of people earn extremely high salaries. Some people believe that this is good for the country, but others think that governments should not allow salaries above a certain level.
To what extent do you agree or disagree?
 3. Developing the economy will always damage the environment.
To what extent do you agree or disagree?
 4. Many countries aim to improve their living standard by economic development, but some important social values, traditions and culture are lost as a result.
To what extent do you agree or disagree?
 5. Some people believe that governments should pay for healthcare and education, but others disagree with this opinion.
To what extent do you agree or disagree?
 6. Some people think that allowing foreign workers to work in their country takes over the job of local people.
To what extent do you agree or disagree?
 7. Developing countries such as Vietnam, Philippines and Indonesia receive a lot of Foreign investment from first world countries such as Japan, Vietnam and Australia to build factories and hire local people with low-salary. Some people think that this is good for the economy but some argue that developing countries will not have a chance to become a first-world.
Discuss both views and give your opinion.
